NEUROLOGY MASTER CLASS

Join us for a Master Class Workshop, led by some of the top experts in the profession. This is a unique opportunity to dive deeper into specific topics and gain valuable knowledge and skills to elevate your practice. Don’t miss out on this chance to invest in your professional development. Space is limited.

- Brush up on lesion localization and neuroanatomy
- Learn about feline neurologic diseases
- Review Lower Motor Neuron (LMN) tetraparesis and treatment
- Review the approach to the “down” dog
- Learn how to handle the “I can’t refer” neurologic pet

**Key Takeaways**
