*Artwork Requirement: You must include the Hyatt-specific information on the key card as seen in the template attached.

- See the attached template for details.

Software Applications

We accept artwork created in most industry-standard software applications, including the current versions of Adobe InDesign, Illustrator, and Photoshop. Please do not submit Microsoft Word, Excel, PowerPoint or Publisher files. High-resolution PDFs are accepted – please make sure files include bleed. Also, include a directional arrow in the design unless the keycard is RFID technology.

File Info & Formats

Please submit vector artwork whenever possible. If creating artwork in Photoshop, please submit layered, CMYK files. The resolution should be 300 at the actual size. Do not send low-resolution images from the internet. Supply all necessary fonts and images. Package your documents to ensure everything is included. All type should be at least 6pt. in size. To be legible, the reversed type should be at least 8pt. Artwork using PMS colors and Photoshop Duotone files are accepted. Keep all non-bleed elements (logos, etc.) " inside all edges of the keycard. Bleed, if applicable, should extend " beyond the edges of the card. All rules and outlines should be .5 pt. or greater. Spot colors can be converted to CMYK but cannot be guaranteed to match the specified PMS color when printed as process.

SNAPSHOT
